The Bowie Chamber of Commerce is an active community organization with a long history of serving the community.

The Welker-Scott Memorial Park is a lighted park thanks to involvement of the Chamber, Bowie Lighting Improvement District, and Sulphur Springs Valley Electric Cooperative. There are water fountains, tables, recreation equipment, and other amenities. The park is open every day and located at B-10 and Apache Pass Road in the heart of town. The Chamber owns 25 acres of land and billboards used to promote member businesses in the community.

The Chamber actively supports quality business and industry in their interests in locating to Bowie. The Bowie Economic Development Group is a standing committee of the Chamber. The Bowie Power Station, a state-of-the-art natural gas-fired power plant, is planned 2 miles north of town. When finished it will provide about 40 high quality jobs. The plant is owned by SouthWestern Power Group II.
